Kate's Nude Hike

~ ~ ~

Today I have something new in store for you, Kate read the latest letter from the mysterious Mr. E. Today, instead of going out to peep in on others, you will be the one on display. The first location you will go is the Beechgrove Park. Wear something easily removed because Beechgrove is a nudist park. Your task is to hike the trails from one end of the park and back doing as many of the activities along the way as you can.

Your second location will be the Mira Vista Ranch – a nudist ranch where you can participate in any number of activities including nude horse riding. And your final destination is the Exotic Pleasures gentleman's club. Get there before midnight and ask for Samuel, he'll instruct you further.

Kate put the letter down on the coffee table and went to the kitchen to make breakfast. It was Saturday so she had all the time in the world to get ready for her day of activities. Ever since she opened that first letter from Mr. E. two weeks ago she had been on a whirlwind ride of sexual enlightenment. Gone was the Kate Suffield of old, replaced by a newer version not afraid to experiment sexually.

She cracked the eggs one by one on the edge of the skillet, placed the bacon in another pan, and readied the toaster for when everything was ready to come together. While the bacon cooked she scrambled the eggs and sipped at her morning coffee, deep in thought.

For the life of her, Kate could not figure out who Mr. E. was. She thought of ever man that knew her and not fit the bill. Not even her ex-boyfriend Brad was as open about sex as Mr. E. She even broadened her search to include the possibility that it was actually a Mrs. E. sending her the letters, but came up empty there as well. There was no one she knew that would send her all those sex toys and the letters that arrived every few days instructing her on new things to try.

After breakfast and a long, hot shower, Kate went to the computer to input addresses. She knew of Beechgrove Park even though she had never been there. It was a nudist park located about a half hour east of where she lived. What activities there were along the trails she could only guess at, but she was more than willing to find out.

Mira Vista turned out to be an hour to the south of her, and Exotic Pleasures was twenty minutes west. She mapped directions from her house to Beechgrove, from Beechgrove to Mira Vista, and then from Mira Vista to Exotic Pleasures. She gave herself two hours at the park, and eight at Mira Vista, leaving enough time to get to Exotic pleasures around midnight assuming traffic wasn't a nightmare.

Kate arrived at Beechgrove Park and stared out of the car window at all the naked men and women walking and talking in the huge field ahead. She glanced to her left at a young man stepping out of his truck and stripping out of his clothes as if it were the most natural thing in the world. Following suit, she stepped out of her car and lifted the thin summer dress up over her head and tossed it into the passenger seat. Wearing only tennis shoes she closed the car door and headed to the field and the trails beyond.

"Hi," the young man Kate saw stripping said to her as they both headed for the trails.

"Hi," Kate replied, her eyes drifting down to his cock. "What a beautiful cock," she said out loud. She slapped her hand over her mouth and turned red from head to toe. "I'm sorry," she apologized. "I didn't mean to say that out loud!"

"It's ok. If you don't mind me saying, you've got a very nice body too. I love big breasts."

"Thanks," Kate said lowering her hand.

"I'm Justin," the young man said holding out his hand.

"Kate," Kate said shaking his hand.

"Pleasure to meet you Kate. Are you by chance headed for the trails?"

"I am. You?"

"Yep. I come here at least once a week to do a bit of hiking."

"So, what sort of activities are along the trails? Do you ever do any of them?"

"They are all sexual in nature," Justin answered. "There are a few I complete, but I think most are geared towards women."

"Why do you say that?"

"Come on, you'll see once we get there. That is if you don't mind my company."

"I don't mind," Kate said eyeing his cock again. "This is my first time here actually and I don't really know my way around."

"I've been coming here for about two years," Justin said. "I know the place pretty well. I can guide you to the less traveled trails if you are uncomfortable with others watching you."

"No, that's ok. I don't mind at all. I'd like to see as much as I can, but I only have about two hours before I have to leave."

"Well, we can hike The Great Serpent," Justin suggested. It will take us from here, around the park, and back in about an hour of fast walking and jogging. Adding in any exercises you might do and I think we can be back in two hours."

"Alright," Kate smiled. "Lead on."

The Great Serpent was the main trail through Beechgrove Park. It went uphill and downhill, through trees and around a massive duck-filled pond. Kate and Justin walked along at a leisurely pace until they came to the first exercise. A small plaque said it was the Pull-up Challenge.

"Um," Kate said looking at the equipment in front of them. There was a pull-up bar about five feet off the ground beneath it was a narrow platform with a rod sticking about a foot out of it. Attached to the rod was a long dildo.

"The challenge is to see how far down the dildo you can go while doing pull-ups, Justin said. If you don't want to put the dildo in you then you can just use the ends of the bar and do as many pull-ups as you can."

"I see," Kate said looking at the dildo.

"There are condoms in the box under the platform if you want to use the dildo."

"Have you ever seen anyone do this with the toy?"

"Many times."

"Do you want to see me do it with the toy?" Kate asked sheepishly.

"Only if you want to," Justin smiled.

Kate grabbed hold of the bar over the platform and pulled herself up. It had been a long time since she last did a pull-up, but she managed to pull her chin up over the bar. She felt the head of the long dildo pressing against her pussy on the way down and moved her hips into position. She saw Justin watching wide-eyed as the dildo slipped easily into her pussy.

As her arms straightened the dildo pushed further into her until she felt it hitting her cervix. She pulled herself up again while trying to keep the head of the dildo inside of her. Up and down, up and down she went driving the toy deeper with every pull-up she completed. She saw Justin's cock steadily grow longer and harder by the second until it was a pole standing at attention.

Kate could feel the orgasm building and her grip weakening. As much as she wanted to continue fucking herself she wasn't about to risk serious injury by impaling herself on the dildo and rod when the orgasm hit. She pulled herself off of the toy and jumped down from the bar, pussy juiced running down her inner thighs.

"That was really fucking hot," Justin said.

"I see you liked what you saw," Kate said tapping an index finger daringly on the head of Justin's cock.

"Fuck yeah I liked it. You took about a foot of that damn thing. I've never seen anyone take it that deep before."

"Would you like to plug me with your rod?" Kate asked pushing her ass out at him.

"Hell yes, but not yet. There's a few exercises ahead for that sort of thing if you're willing to give them a go."

"If you're sure you can make it that far without getting a case of blue balls," Kate giggled as they walked on. They went about a hundred feet. Kate stopped and ran back to the pull-up area and grabbed a few condoms and tucked them into her short socks just in case things got interesting.

"So, what do you do for a living?" Justin asked.

"I'm a graphical designer," Kate replied. "I make everything from billboard ads to artwork seen in books, magazines, and television."

"Wow! That's a hell of a lot cooler than what I do."

"What do you do?"

"I'm an electrician. Boring work, but it pays well I guess. I don't see a ring on your finger. Are you seeing anyone?"

"Are you asking me out already?" she teased.

"And what if I am?" he replied boldly.

"I am single. I haven't dated anyone since my last relationship ended badly over a year ago."

"I'm sorry. Please don't take this the wrong way, but I find it hard to believe that such a beautiful woman would have a hard time finding another boyfriend after so long."

"Oh, I have plenty of offers," Kate grinned "but I prefer to be single. I'm so sick of heartbreak that I'd much rather have friends with benefits."

"I see. I'm single too by the way. In case you were wondering, that is."

"I was wondering," Kate replied. "And it's good to know I won't be causing any troubles in a relationship when you fuck me with that big cock of yours."

"Do you have sex with a lot of men?"

"Depends on what you consider a lot."

"More than fifty?"

"Not even close. Up to my now ex-boyfriend I had only ever been with five men including him. Since then I've done a few more and even started having sex with women."

"FUCK that's hot! So how many men and women would you say you've had sex with?"
