Opening the door to his office, Zack walked in to see a sexy brunette woman sitting in one of the chairs opposite his desk. "Sorry to keep you waiting, but I got stuck in another meeting," he said as he walked across the carpeted floor. "You must be Miss Bowman."

"Please, call me Heidi."

"Alright, Heidi," he smiled, looking down at her breasts practically spilling over the top of her tight dress. "I managed a quick glimpse of your file on the way over and it says you are new to porn. Is that correct?"

"Yes Sir."

"Can you tell me why you want to go into porn?"

"Honestly? For the money."

"Well, since we're being honest I must tell you that there isn't a whole lot of money in amateur vanilla porn. If you want to make the big buck you're going to have to do the kinkier scenes."

"Such as?"

"Interracial, gang bangs, fetish porn. Stull along those lines. Does any of that interest you at all?"

"Not really, but I'm willing to do about anything to get my foot in the door."

"Anything?"

"Within reason."

"Honey, we're talking porn here. Reason is a matter of perspective. Tell you what, I can give you a list of all the types of shoots we do and you can take some time figuring out what you like, or we can head on back and put you through the paces so to speak. That way you'll not only know what you're willing to do for us, but you'll also get paid doing it. Which would you prefer?"

"So, you're going to have me doing all those things you mentioned?"

"Only if you want. We'll start slow and work out way up to the kinkier stuff. If it becomes too much just give the safeword and we'll stop and move on."

"Safeword?"

"I was just going to explain. A safeword is used to let those running the scene know there's something wrong and it needs to stop. We use two safewords here at Wicked Desires. The first one – red, is universally used by all of our models. The second – melon, has been selected just for you. All we ask is that you don't use it the second we ask you to do something outside of your comfort zone as that will defeat the purpose of experimenting and discovering your particular brand of kink. So, you want the list, or are you willing to jump in and get started today?"

"I can do today."

"Perfect. There are some forms you'll need to fill out and then we can head on back. In the meantime, why don't you stand up and show me what we're going to be working with?"

Thinking he meant for her to strip, Heidi stood up and gave a slow turn as she reached back and unzipped her dress. Cupping her breasts, she moved her fingers up to the straps and slowly lowered them off her shoulders and down her arms. Wiggling her hips, she let the garment fall to the floor. Smiling nervously, standing there in only a pair of lacy purple panties she stared into Zack's eyes. Taking a deep breath, hooked her thumbs into the waistband of her panties and lowered them to the floor. Stepping out of them, she chewed her lower lip.

“Well, I only meant for you to stand and turn around for me, but I love the initiative. And I must say you’re an incredibly sexy woman, Heidi.”

“Thank you.”

“You’re very welcome. Go ahead and give me a slow turn. When your back is to me bend over at the waist with your legs together and straight and touch the floor. How flexible are you, Heidi?”

“Very. I was a cheerleader in high school and college and a gymnast for the last sixteen years.”

“Great. With your hands on the floor and legs straight I’d like you to do a split and then stretch your arms out on the floor in front of you. Can you do that for me?”

“Sure. Anything else?”

“Oh, there’s plenty, but let’s see you do that for now.”

Slowly turning her back to Zack, Heidi brought her legs together and doubled over at the waist until her hand her palm flat on the floor. Spreading her legs out to the sides, she slowly lowered herself towards the floor.

“Wait,” Zack said. Opening the bottom right file drawer of his desk, he grabbed a big black dildo and walked up behind his new star. Sitting it on the floor between her legs. “I want you to lower yourself onto the dildo and then fuck yourself with it. Can you do that for me Heidi?”

“Considering what I’m here to do? Yeah, I think I can fuck myself on a...holy shit! Okay, that’s a lot bigger than I was expecting,” she gasped, looking down between her legs. “I’m actually not sure it’ll fit.”

“Sure it will. Feel free to take all the time you need, but we’re not continuing until you’re balls deep. Think of this as a trial run to see if you’ve got what it takes to do porn.”

Breathing steady, Heidi went lower until she felt the huge head of the big black dildo pressing against her pussy. Letting her legs spread a little further, she felt her pussy opening. “Uhn...I don’t think it’s going to fit.” Breathing heavily, she went lower. “Oohhh fuck! It...uhn...it’s going in. T-The head...uuhhnnn! “Jesus H Christ almighty!” she groaned as the head and three inches of fat silicone cock slid in.

“See, I knew you could do it. Only about eight more inches to go sweetie.”

“I’ve never been so stretched open in my life. I don’t think I can take the whole thing.”

“Sure you can.”

“It hurts.”

“Just relax and let it go in slowly. There’s no need to rush. Here, let me help take your mind off of it,” Zack said as he unzipped his pants and took his dick out. Walking around in front of her, he waited to see what she would do.

Heidi looked at Zack’s cock mere inches from her face and then up into his eyes. There was no doubt what he wanted from her, or that this was another test to see if she had what it took to make it in porn. Sliding her hands forward on the floor, she took him into her mouth as the dildo went deeper into her pussy. Groaning, she bobbed her head back and forth while staring him in the eyes.

“Good girl. Now lift up until only the head is in and then slam yourself down. I want to see you take all thirteen inches to the balls like a good little whore. Go on, do it. And don’t take your mouth off my cock.”

Doing as commanded, Heidi brought her hands back and legs together – raising up off the dildo until only the tip of the head was at the entrance to her now gaping pussy. Breathing in

through her nose, she did a full split. Her full weight forced the huge toy deeper than she could normally handle – the head and a couple inches ripping past her cervix. “Aahhgghhh! Oh my fucking god! It...it’s in my fucking womb!”

“You’re doing great. I’ve got an idea but it’s going to have to wait until you’ve filled out all the paperwork. For now, bring your legs together so that you’re kneeling and ride that monster all the way until you’re drinking my jizz.”

Placing a hand on either side of her head, Zack fucked his dick down Heidi’s throat until she turned red in the face and saliva was drooling down her chin. The pleading look in her eyes, the fact she did not know whether to moan or groan as the dildo kept her cervix dilated had his cock throbbing and ready to spew. “God, I love it when sexy little bitches gag on my cock!” he exclaimed, grabbing her by the hair of the head as he continued ramming all eight inches down her throat. Holding it there, he shot one ropey strand of semen after the other until she had swallowed every drop.

Taking a step back, Zack looked down at the kneeling, gagging woman and grinned. “I have a feeling you’re going to go far in this business. Keep the dildo buried in your pussy and take a seat. I want to get the paperwork filled out so we can get you on set ASAP.”
