Waking to the feeling of someone bouncing on her bed Kendra opened her eyes and scrambled back against the headboard. When her vision cleared enough for her to see clearly she stared at her grinning brother as he yanked the blankets off her nearly naked body. "God damn it, Kyle, get the fuck out of here you fucking pervert!" But instead of leaving he hopped forward on his knees and sucked her left nipple into his mouth. She had been dealing with his unwanted stares, gropes and occasional kiss for months. She tried making him stop but that only spurred him on. She told their parents but as the golden child who could do no wrong they accused her of making it up. Despite his actions she loved her brother and did not want him going to prison, but on the other hand he was getting bolder by the day. Placing her hands on her brother's shoulders she shoved him away. Unfortunately, he was biting her nipple at the time. "GET OUT!" she yelped.

"Mom and dad are gone for their vacation so no need to pretend you don't like it," Kyle said as he cupped his sister's panty covered vulva as he kissed her on the lips. Taking advantage of her shocked stillness he pushed her panties aside and used his thumb to stimulate her clit. Using his free hand he pulled his cock out. He then flipped her onto her belly. The tip of his dick slid along her slit but before he could penetrate she rolled off the bed.

"What the hell is wrong with you? Get out! And I swear to god the next time you touch me I'll fucking kill you!"

"Don't be so dramatic. If you didn't like it you wouldn't have sat there and let me kiss and finger you."

"GET OUT!" To Kendra's surprise he blew her a kiss and then left her bedroom. Humiliated by his actions she slammed the door shut and then sat on her bed and cried, knowing that without evidence no one would ever believe her. Ideas started popping into her head and as she whittled them down she gathered her clothes to take a shower.

Hot water cascading over her naked body, Kendra heard the bathroom door open and before she had time to peek out and tell her brother to fuck off the shower curtain slid aside and he joined her. "God damn it Kyle, what the hell is wrong with you?" But instead of getting an answer, she got hands on her shoulders that forced her onto her knees. Opening her mouth to say something she found it filled with her brother's cock. She tried pulling away but his hands on either side of her head held her tight. And just when she was about to bit his dick off it slid down her throat and she felt a warmth filling her belly. Shocked beyond gagging, she drank every drop of her brother's pee. When he was done she looked up at him in stunned silence. And then he said something that put their family dynamic in a whole new light.

"Good girl. It took mom weeks to drink it without spilling a drop. Now get up and put your hands on the wall so I can fuck you."

"Y-You...mom...oh my god! Please, Kyle, I'm asking you one last time to leave me alone before I call the cops and have you arrested for rape."

"You forget, mom's a cop and dad's a judge and we've already established they'll believe me over you so just do yourself a favor and stop fighting the inevitable."

"You're sick in the fucking head if you think I'll ever let you touch me." Unfortunately, Kendra knew her brother was right. She also knew that unless she did something drastic she was not making it out of the shower unfucked, but before she could bite his dick off she was flipped over and she felt Kyle's cock slam balls deep into her pussy. Disgusted by what was happening, she offered no resistance and bit her lip so she did not make a sound as her brother had his way.

She felt every thrust of his thick shaft, bit harder into her lower lip as the head pressed against her cervix. Closing her eyes, she attempted to put herself somewhere else but the fingernails digging into her hips and the hard slaps on her ass were making it difficult to mentally take herself out of the tub.

Kyle had been waiting for the chance to have sex with his beautiful eighteen year old sister for months and now that he was he did not want to blow his load too soon so whenever he approached the point of no return he would stop and give himself a moment to let it pass before fucking her again. Despite her earlier protests, he took her compliance as acceptance. "That's it!" he triumphantly exclaimed. "I knew you were just as big a slut as mom. God, I can't wait to see the two of you fucking each other. I just wonder who'll breed you first, me or dad." It was then he shoved hard into her and came. "Uuhhnnn...looks like it'll be me!" Holding her by the hips until depositing the last drop, Kyle looked down at her tightly puckered asshole. "You've had my dick in your mouth and pussy, sis, one more hole and I'll have hit the trifecta."

"D-Don't you dare! I've never...UHN!" Kendra grunted as her brother's cock penetrated her no longer virgin ass. "GOD DAMN YOU KYLE! I swear to god I'll kill you for this!"

"You're so sexy when you're threatening me. Keep going."

Finally mustering the energy and frame of mind to retaliate, Kendra pulled off her brother's thrusting cock, rolled onto her ass and then kicked him as hard as she could in the balls. He fell to his knees grunting and she scrambled out of the tub. Leaving her clothes on the vanity she ran to her bedroom and this time made sure the door was locked behind her before drying off and getting dressed. Going to her desk she opened her laptop and did a search on shops that sold hidden cameras in her area. An hour later she managed to get out of the house without further attention from her brother.

After spending nearly her entire meager savings on several nanny cams she could hide around the house, Kendra returned home to an empty house. Acting quickly, she placed two in the living room, one in the kitchen, two in the bathroom and the final three in her bedroom to catch her brother from multiple angles. Ten later and they were all set up and recording. And with a one terabyte micro SD card in each she could leave them running non-stop for a month. To make sure everything was properly set up she used her phone and went room to room checking that each camera was picking her up crystal clear. When she was satisfied with the results she went to her bedroom and played the waiting game.

Lying in bed watching TV, Kendra heard the front door open and close a little after eleven. Grabbing her phone from the nightstand she quickly watched her brother walking from the living room to the kitchen where he grabbed a bottle of water from the fridge. After downing half of it in one gulp he sat it on the counter and then disappeared from view as he walked down the hallway in the direction of her room. She shut the phone off. A moment later her bedroom door opened and Kyle stepped in grinning ear to ear.

"I'm in no mood for your bullshit, Kyle, so get the fuck out of my room or else."

"Or else what?" Kyle huffed. "I need a toilet and you did such a good job this morning I figured you'd like another lesson."

"I said GET OUT!"

"Not until you drink my piss." Pulling his shirt off, Kyle then removed the rest of his clothes and approached his sister's bed. "And then I'm going to breed you again so you might as well take your clothes off."

“FUCK YOU! You forced me to have sex with you this morning and you won’t do it again now leave me alone! I’m not kidding, Kyle, I don’t want any part of your fucked up bullshit so get out or so help me it’ll be the last thing you ever do.”

“Why fight the inevitable, sis? Mom didn’t. Dad didn’t. Hell, even Janine gave in and lets me fuck her every day now,” he said referring to their twenty year old cousin who was now five months pregnant with his child.

“So, is your plan to just come in here and rape me whenever you want?”

“It’s not rape if you let me do it.”

“Then it’s rape because I don’t want you anywhere near me. For Christ’s sake, Kyle, what part of no don’t you understand?”

“The part where you think no is an answer,” he said as he placed a hand on the back of her head and pushed his dick into her mouth. She pulled back and without thinking he slapped her across the face causing her to shriek and lurch back in shock. “Unless you want another you’ll be a good little bitch and start drinking.

“I don’t know when you turned into this monster but you’ll have to beat me because I’ll never do what you want.” Backing against the headboard, Kendra pulled her knees to her chest and started crying. “Please, just leave me alone.”

“Drink my piss and let me finish fucking that tight ass of yours and you got yourself a deal.”

“I am not having sex with my brother!”

“You already let me do it once so what’s the big deal?”

“Let you? LET YOU! You came in the bathroom and raped me you fucking asshole! I’ve been trying to make you stop touching me for months and you won’t listen. I told mom and dad and they won’t believe me which is complete bullshit considering you have sex with them.”

“Only mom. But he joins us. Trust me, Kendra, if you just stop acting like a fucking baby and just accept that your sole purpose for being is to pleasure men you’ll be much happier.” Grabbing her ankles, Kyle yanked his sister towards the foot of the bed and flipped her onto her belly. She tried pulling away but that only made his grip tighten. Say it sis. Tell me you want me to breed you. Tell me how much you want to have my babies or the next thing you feel will be my fist ramming its way into your ass!”

Knowing the pain was going to be excruciating, Kendra steeled her resolve. “I’ll never beg or ask you to have sex with me so you might as well just kill me now and get it over with.”

“Kill you? I’m not a monster! I just want to use you as my personal fuck toy.”

“Please, Kyle, don’t do this.” Kendra pleaded as she was pulled back onto his throbbing cock.

After once again attempting to impregnate his sister, Kyle pissed down her throat, gave her a tender kiss on the lips and then left her alone in the bedroom but that was not the last time the hidden cameras recorded his actions. He returned shortly after four in the morning to do the same and despite her protests and threats of calling the police he had his way with her and then left her lying there feeling betrayed and utterly disgusted.
