Waking on a hot summer morning, Scarlett stretched and then rolled out of bed. Knowing it would just be her and her younger brother Jayden in the house until early evening, she looked down at her semi-sheer purple and black bra and panties, smirked, and then walked out of her bedroom, down the hallway, and into the living room where her brother sat on the couch absent-mindedly watching the news while sipping a cup of coffee. “Did you make enough for two?”

Craning his neck, Jayden nearly sprayed the mouthful of coffee across the back of the couch as he took in his sister’s stunning, practically naked body. “Jesus Christ, Scarlett!” he exclaimed, dick twitching excitedly in his shorts. “You might as well be naked for all that covers.”

“Okay.” Shrugging, Scarlett reached back, unhooked her bra, and then let it slide down her arms.

“Fucking hell! Have you lost your mind?”

“You’re the one that said I should be naked,” he said as she pulled her panties down. “Like what you see?”

“You’re insane! If someone walks in...”

“Who’s going to walk in? Mom and dad will be in town all day. Maisie and Mollie won’t be up for hours and Nathan is out of town,” Scarlett said, referring to their younger identical twin sisters and brother. “I see the way you look at me. Come on, be honest, you want me don’t you?” she asked, doing a slow turn so he could see all of her.

“You’re out of your mind! You’re my sister!”

“And you’re my brother. Do you think I’m ugly?”

“God no!”

Do you think I’m pretty?”

“I think you’re gorgeous,” Jayden said before his brain to mouth filter could prevent the words coming out.

“Aaawwww, thanks, bro, you really know how to make a woman feel good about herself. Now answer my questions. Do you want me?”

“Why are you being so damn weird?”

“I just want you to be honest.” Turning, Scarlett placed her hands on the wall and then moved her feet back until her back was arched and legs spread. “I know you want me and the sooner you admit it, the sooner we can have fun.”

“F-Fun?”

“Only one way to find out.”

“You’re insane.”

“So, you keep telling me. I’m also incredibly horny so grow a pair of balls and come take me as you fantasize about.”

“I... you... we’re... I’m not... are you fucking serious?”

“I’m not fucking anything unless you come take me, Jayden. Come on, are you seriously going to sit there and tell me you’re not just as excited as I am?” Scarlett said as she slowly swayed her ass side to side. She had teased the poor 21-year-old many times in the past, but this was further and far more daring than she had ever gone and despite the perverse words coming out of her mouth, she could not stop herself.

Getting up off the couch, Jayden adjusted his dick to a more comfortable position and then walked around the couch. It was true, he had been crushing on his older sister for years. He

had dreamed of her willingly giving herself to him, but never in a million years did he think she would. But here she was butt naked and practically begging for it. At the same time, he was not a complete idiot. "Look at the wall."

"But I want to see your big cock before you put it in me," his sister mock pouted.

"I said look at the wall." When his sister complied, Jayden pulled the phone from his pocket, turned the camera on, and then pressed record. "Do you really want me to fuck you, sis?"

"YES! I want you to have your way with me, Jayden. I want you to fuck my brains out. I want you to shove your dick in me and not pull out until you've blown your fucking load! Come on, we both know you want me to take me!"

That was all the admission he needed. Yanking his shorts down and off, Jayden took two steps, and then with one swift thrust he was balls deep in his sister's pussy.

"UHN! O-Oh my God! W-What are you doing?"

"What you asked for."

"Fucking hell, Jayden, I was only teasing. I never... uhn... you fucking moron... I... we're... uhn... uhn..." Scarlett grunted between hard thrusts.

"Are you going to deny that you stripped naked and practically begged me to screw you, sis?"

"N-No, but... uhn... I never... I never thought you'd actually... UUUHHNNN!" Scarlett moaned as she experienced her first ever incestuous orgasm.

"Do you want me to stop?"

"Yes! N-No! This is so fucked up!"

"I guess you like it fucked up because you're the one that just had an orgasm."

"Shut up!"

"Unless you tell me to stop I'm not pulling out until I blow my load in you, sis. You're right, I have fantasized about you. I'll let you in on another little secret. I was a virgin until about a minute ago. How fucking hot is that? Now, do you want me to stop?"

"No."

"Are you sure?"

"You're already fucking me so you might as well finish," Scarlett said as she felt another orgasm rapidly building deep within. *Fucking hell! Why is this turning me on so much?* I'll let you in on a secret of my own. You're the first person I've ever had sex with."

"Bullshit!"

"I'm serious. I've used fingers and toys but I've never had sex with anyone until now and... oh god, I love your dick! Why do I love your dick so much? I was... uuhhnnn... I was joking... I never... FUCK ME!" she purred as the second orgasm gushed out of her.

"That's the plan, sis. And then I might have to punish you for being a naughty cock-tease." Feeling his sister clamp down hard on his manhood, Jayden dug his fingernails into her hips and pounded her for all he was worth. And true to his word, he did not pull out until he deposited every last drop. Then, he did something that surprised her even more. Pulling his spent cock from his sister's pussy, he got down on his knees and began licking her clean.

"Holy fuck! Are you eating your own jizz from me?"

"Mmm hmm," her brother replied, not taking his tongue from her pussy.

"Damn! Um, do you eat your loads a lot?"

"Mm hmm."

"That's kind of hot. Fuck! I can't believe we just had sex!"

Dick still hard, Jayden stood and slammed into his sister's pussy for a second time, but would not stay there for long as after just a few thrusts he pulled out and then busted right through her tightly closed back door.

"UHN! Oh God! Uhn! Uhn! I've never... fuck that hurts!"

"Wait, don't tell me you've never done anal?"

"Not until now!"

"Oops..." Grabbing and squeezing his sister's breasts, Jayden pinched her nipples and continued pounding her ass.

"At least go slow until I get used to it."

Pulling out of his sister's ass, Jayden resisted shoving it back in. "Let's go to my room."

"W-Why?"

"So that I can finish fucking you up the ass."

"O-Okay."

"Really?"

"Let me go get some lube from my room and I'll join you in yours."

"Don't bother."

"But I want you to use lube."

"And I will."

"You have lube?"

"I do. Now let's go."

"Yes Sir!" Scarlett giggled as she saluted her younger brother.

"It's yes Master."

"What?"

"You may call me Sir in public, but in private it's Master. Forget and you'll be punished. Is that understood?"

"Yes Master."

"Good girl."

"Why do you have lube, Master?"

"Because, like you, I've used fingers and toys."

"I don't... oh shit! You mean you fuck yourself up the ass?"

"There's nothing wrong with enjoying anal."

"I never said there was. I'm just surprised you like it. I mean, being on the receiving end that is. I guess you like being on the giving end too. And how long have you been eating cum, Master?"

"For about three years. I don't even know how or why but I stumbled on some cum eating instruction videos and after watching a few I decided to seriously follow along and it worked. I swallowed my first load and it was amazing."

"Would you ever eat another man's cum?"

"I'm not gay so probably not."

"Says the man that eats his loads and takes it up the ass. Do you duck your toys too?"

"Yes, but that doesn't make me gay."

"Bisexual? Pansexual? Curious? As long as you enjoy it and no one is getting hurt then who cares how you identify?"

"Would you eat out another woman?"

"I love the taste of my own juices so, yes, I'd have sex with another woman in a heartbeat. I've just never had the nerve to go out and do it. Will you let me fuck you up the ass?"

“Sure. Right after I finish fucking yours. That being said, let’s go to my room.”

“Yes Master.”

“Get on all fours and crawl like the sexy bitch that you are.”

“Yes Master.” Getting down on her knees, Scarlett looked up into her brother’s eyes, leaned in, and then sucked his dick into her mouth despite it having been in her ass just moments ago. Taking him completely, she winked, and then got down on all fours. “You’re not the only one that sucks their toys, Master.”

“Do that again.”

“Master?”

“Suck my dick down your throat, puppy.”

Grinning ear-to-ear, happy to show off the skills she had spent years honing, Scarlett sucked her brother into her mouth and held his gaze even when he put a hand on the back of her head. That is until she felt the warm fluid rushing down her esophagus and into her belly. Closing her eyes, she pushed back, but his hand prevented her from getting away.

“Open your eyes and look at me, puppy. That’s it. Good girl. Just relax and accept your place as my toilet,” Jaydon said, his words soothing and reassuring. “When I’m nearly finished I’m going to pull back so the last of it fills your mouth. You’ll show it to me for ten seconds and then you’ll swallow. Fail or refuse and you’ll be disciplined.” Moving his hand from the back of her head to her flushed cheek, he smiled. “I love you so much, sis. I’ve had a million dreams of dominating someone and I think you’ll make the perfect submissive,” he said as he slowly pulled back until just the head of his dick was in his sister’s mouth. “Open up so I can see you taking it.”

Obedying immediately, Scarlett did everything in her power not to gag as she tasted her brother’s piss for the first time. Maintaining eye contact, she waited until he took a step back before silently counting. The taste salty and a little bitter, it was far from good, but not nearly as bad as she imagined it would be. *Ten. Nine. Eight. Seven. Six. Five. Four. Three. Two. One.* Bringing her lips together, she gulped the final mouthful down. “I can’t believe you pissed down my throat, Master!”

“Did you like it, puppy?”

“No Master.”

“Shame. I guess I’ll have to find someone else to use.”

“I didn’t say I wouldn’t do it again, Master, only that it doesn’t exactly taste good. I mean, have you ever tried it?”

“I have.”

“And you like it, Master?”

“Few things get me harder faster.”

“Really? What if I asked you to drink my piss, Master?”

“Anytime, anywhere.”

“Jesus! You’re being serious?”

“I am. Just let me know when you need to pee and I’ll gladly be your toilet.”

“Is there anything you’re *not* into, Master?”

“Nope. And I’m genuinely hoping you’re as open-minded as I am, sis, because I meant what I said. I want to dominate you, train you as the perfect submissive.”

“I think I like being humiliated and degraded, Master.”

“Why do you say that, puppy?”

“I’m on the verge of orgasm just from drinking your piss and hearing that you want to train me, Master. And I really like you calling me puppy. And... and, well, we’re on our way to your room so you can fuck me up the ass. We had sex. I should be devastated, ashamed, horrified. But my clit is throbbing so hard it hurts. You came inside of me, Master. I’m not on birth control and the thought of being impregnated by... uhhhhh...” knees spread, Scarlett lay back and bucked her hips upward as the orgasm shot out of her in a long, arcing stream. I love you too, Master!”

Seeing Sprocket – one of the family’s six dogs walking into the living room, Jayden smirked. “Do you really want to be humiliated and degraded, puppy?”

“Yes Master!”

“Then stay where you are and don’t move no matter what happens.”

“Yes Master.” Going back into the living room to grab his phone, he silently motioned for Sprocket to follow.

When the three-year-old husky saw a naked ass in position, training kicked in and he beelined straight for the kneeling Scarlett, tongue wagging as fast as his tail. No sooner did he reach her, then his tongue licked from clit to asshole.

Looking back over her shoulder to see the dog’s snout buried in her crotch, tongue still lapping away excitedly, Scarlett’s eyes went wide. “Oh my god! M-Master?”

“Relax and let him have his way, puppy.”

“But...”

“No buts. You said you wanted to be my submissive, to be humiliated and degraded. Was that a lie?”

“No Master, but...”

“No buts puppy. You *will* let him lick and when he mounts you’ll push back and take him inside of you. And when he finishes pumping his load into you, you’ll let the rest of the dogs have their turn. Is that understood?”

“Y-Yes Master,” Scarlett answered, her brother taking complete control turning her on more than the humiliation of the impending act of bestiality. “H-How does he even know what to do with a human?”

“Dogs love sex every bit as much as we do, puppy, and will mount anyone and anything offering themselves.”

Sprocket mounting, Scarlet pushed back as instructed. It took a moment, but after his rapid thrusts aligned with her womanhood, he slammed into her. “UHN! Oh my God! He... uhn...uhn...holy shit!”

“Relax and enjoy being his puppy,” Jayden said as he walked in front of the perverse duo. “You’re going to be stuck for a bit so you might as well show me how well you’ve practiced on your toys,” he added, placing the head of his cock against his sister’s lips. Her mouth opened and she sucked him down her throat.
